GUIDANCE & DISCIPLINE POLICY

Philosophy

We believe in guidance and discipline, rather than punishment. Guidance and discipline are positive ways to help a child develop self-control and confidence in handling their needs in a socially acceptable way. This is an on-going process, not a single act. We are here to teach each child skills to manage their own behavior.

Guidance & Discipline Techniques Used HPNC Staff

- Offer a stimulating, organized, well equipped, and well-designed classroom to avoid problems.
- Set rules with the children at the beginning of camp, set clear limits and be consistent.
- Redirect children whenever possible; include the children in the problem-solving process.
- Model socially acceptable behavior and manners along with positive reinforcement and acknowledgement of good behavior.
- If a child hurts another child, the teacher will attend to the injured child immediately. The child that did the injuring will stay with the injured child and the staff member looking after the injured child, until the injured child is ready to return to the classroom activities.

If the teachers see a continuing pattern of misbehavior, the following steps will be initiated:

- Phone call from the teacher/counselor informing the parents of the concerning behavior observed.
- Implementation of corrective behavior plan.
- Conference with parents, teachers/counselors, and director to discuss goals, implementation of goals, and measuring progress.
- Follow-up meetings (face to face or phone) to discuss progress.

Prohibited Guidance and Discipline Techniques

- Any form of corporal punishment, ridiculing a child or the child's family, blaming, teasing, insulting, name-calling, or threatening the child with punishment.
- Withholding food, affection, or positive attention.

Child's First & Last Name: _____

Parent's Role in the Guidance Process

- Share any relevant information with the teachers to help understand any underlying issues. Be open when the teacher gives notification of a concern or if a continuing pattern of misbehavior is observed.
- Follow through on any recommendations made by the staff.
- Work as a team with the staff so everyone can be consistent in expectations and help the child understand what behavior is acceptable and not acceptable.

Discharge

After attempts have been made to meet the individual needs of the child, any child that has demonstrated an inability to benefit from the type of care offered by the Hyde Park Neighborhood Club or whose needs exceed the capacity of HPNC staff, or whose presence is detrimental to the group or endangers the group, shall be discharged from the program.

I have read and agree to the discipline policy set forth by the Hyde Park Neighborhood Club

PARENT DEMOGRAPHIC SURVEY

Every year the Hyde Park Neighborhood Club pursues a variety of funding sources (including government grants) to maintain financial sustainability. Many grant applications ask for detailed reports on the demographic make-up of our population. For that reason, we are attaching a questionnaire asking for detailed information about your family's social and financial circumstances. Many of the questions may seem awkward or strangely laid out but please bear with us as they are worded in a manner that corresponds to US Census reports.

Confidentiality: Your answers to the attached Demographic Survey will be held strictly confidential. You will not be asked to include your name on the forms and the completed survey will be stored separately from your identified registration materials.

If you have any questions or concerns please feel free to contact Sarah Diwan at 773-643-4062 or sdiwan@hpncclub.org.
